TOP COLOURING TIPS!

1. Put a Blank Sheet Behind Your Page
   When using juicy markers, place a scrap sheet behind your drawing to keep the next page perfectly clean!

2. Start Light, Then Go Dark
   Colour lighter shades first, then layer darker tones on top for amazing depth and pop.

3. Mix Your Art Tools
   Try combining crayons, coloured pencils, and markers together on the same animal for fun textures.

4. There Are No Mistakes In Art!
   Make your Australian animals any colour you want — purple koalas and rainbow kangaroos are awesome!
